

Asian Media Access Project Soundscape Information Sheet

Asian Media Access proudly presents Project Soundscape, music program offering youth private piano, guitar, bass, and drum lessons.

Registration takes place right around the first week of the Minneapolis schools' fall session, and the first week after the winter break. Time slot selection is on a first-come first-serve basis during registration. Currently piano lessons are given Mondays 5 PM – 9 PM, guitar lessons are Tuesdays 5 PM – 9 PM, and bass and drum lessons, Sundays 9 AM – 12 PM.

Piano lessons are open to anyone ages 6 and up. Guitar lessons are open to students ages 12 and up; bass lessons, ages 12 and up, and drum lessons, ages 12 and up. There are no upper age limits.

We understand many students do not have access to music instruments, and it is not a requirement. However, if students do have access to instruments, we would expect students to have regular practices.

All lessons are at AMA (2418 Plymouth Ave. N, Minneapolis, MN, 55411). Each lesson is 30 minutes long, once per week for about 10 weeks. Sessions end with recitals that all students will attend. We ask you to commit to your lesson time. If you will miss a lesson, please contact one of us listed below. After 2 unexcused no-shows, your spot may be given to the next person waiting to get in.

Please bring the completed registration form below and a \$5 non-refundable registration fee per family to Asian Media Access. 2 students per family may register so that other families will also have a chance. If the registration is full, you will be put on the waiting list.

If you have any questions, for piano, please contact Kue Xiong at 612-376-7715, or email kue.xiong@amamedia.org; for guitar, contact Steve Lu stevelu@amamedia.org, and for bass and drum, contact Kang Vang kang.vang@amamedia.org.
